This is a unique job opportunity to join our successful team.

The role:

- Office based in St. Ives, Cambridgeshire
- Ability to manage and grow existing accounts
- Developing sales/business in a wide range of industries
- Clients and Markets to break into: Semiconductor, Pharmaceutical, Medical, Fuel Cell, Oil and Gas Sectors
- This is a diverse role which will enable the right candidate to get involved in interesting projects working within a wide range of industries

Required Skills and Experience:

- IT capability, in Outlook, Excel, PowerPoint and Microsoft Word
- Engineering Background
- Proven Sales skills
- Ideally Degree qualified – Technical
- Full UK driving license
- Willingness to travel
- Eligible to work in the UK
- We are looking for an ambitious, self-motivated Sales person who can be a technical representative for one of the UK's leading Stainless Steel manufacturing specialists.

We offer:

- Attractive package available for the right candidate

Please send your CV's by e-mail to sales@orbitalfab.co.uk

Closing date is the 31st September 2018
